

**STATE OF CONNECTICUT
OFFICE OF THE HEALTHCARE ADVOCATE
STATE INNOVATION MODEL PROGRAM MANAGEMENT OFFICE**

**REQUEST FOR APPLICATIONS (RFA) FOR THE ADVANCED MEDICAL HOME
VANGUARD PROGRAM**

THIRD Addendum

RELEASE DATE – 03/23/16

The SIM PMO seeks to implement the AMH program in two cohorts, the first beginning in April and the second in April or May. The launch of each cohort may change. The SIM PMO will have discretion to determine the number of practices per cohort.

1. Section II.C. SELECTION AND AWARD PROCESS of the original RFP is amended to reflect the change in the number of practices per cohort. The SELECTION AND AWARD PROCESS is amended to include the following red, underlined language:

C. SELECTION AND AWARD PROCESS

The PMO will review completed applications as they are received. The number of practices per cohort will be at the discretion of the PMO. Applications will be reviewed for completeness before they are approved for participation. The final selection of any application (s) is at the sole discretion of the Director of the PMO.

2. Section II.F. ELIGIBLE APPLICANTS of the original RFP is amended to reflect the change in the number of practices per cohort. The ELIGIBLE APPLICANTS is amended to include the following red, underlined language:

F. ELIGIBLE APPLICANTS

One or more Advanced Networks will be selected along with their affiliated practices. The target total number of participants for each of the two cohorts will be at the discretion of the PMO.

3. Section II.I. TIMEFRAME of the original RFP is amended to reflect the change in the timeframe of the launch of each cohort and the change in the number of practices per cohort. The TIMEFRAME is amended to include the following red, underlined language:

I. TIMEFRAME

The PMO seeks to implement the AMH program in two cohorts, the first beginning in April and the second in April or May. The launch of each cohort may change. Applications for the first cohort are due by March 24, 2016 at 3:00 PM and for the second cohort by at 3:00 PM April 11, 2016. The number of practices per cohort will be at the discretion of the PMO.
